TURNER —
HANNES WETTSTEIN 2008

Formal moment or relaxing space? Turner, the seating system designed by Hannes Wettstein, combines comfort with refinement. Settees in various sizes, corner pieces, chaises-longue and pouf can be combined together to create different furnishing solutions. Turner responds to varying needs in terms of comfort and posture, thanks to an easy mechanism which adjusts the depth of the seating.
Settees in various sizes, corner pieces, chaises-longue and pouf can be combined together to create different furnishing solutions.

This symbol shows that the product has removable upholstery. Only qualified personnel can remove the upholstery of some of our products. If this information is pertinent, it will be included in the warnings section.

This symbol shows that the product is available on request in a fire resistant version that complies with the standards BS 5852 and TB 117-2013.
The buyer is responsible for checking to make sure that the product is suitable and compliant with the requirements for the designated use and the current applicable laws and standards for the destination and use of the product.
